EDUCATION AND PSYCHOLOGY STUDY (EPS)

EPS 201. Psychosocial Change and Well-being. 3 Credit Hours.
Introduction to personal and interpersonal approaches to well-being. Includes theoretical, historical, philosophical, and psychological bases of well-being. Emphasis will be placed on real-life applications of theory and practice to the promotion of psychosocial change and well-being.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 270. Lifespan Human Development. 3 Credit Hours.
Processes and theories of human development from birth to old age are explored. Areas to be covered include: physical development, cognitive development, social and personality development, moral development, and language development. Emphasis is placed on development as a life-long process and its importance in understanding human behavior.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 280. Introduction to Family Studies: Dating, Coupling, Parenting. 3 Credit Hours.
Theory and practice of romantic relationships and parent-child relationships, including discussion and skills building. Research based information on how to maximize the quality of these interpersonal relationships will be examined.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 291. Community and Character Development. 3 Credit Hours.
The course covers moral and psychological dimensions pertaining to character development as it occurs in communities. Topics include contemporary theory and research regarding perspectives on virtue and morality, states of character, ethical decision making, and character development. The reciprocal relationships between character and community will be a central theme in exploring ethical issues that arise in working with individuals, institutions, and communities. Theory and research will be linked to relevant applications.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 306. Insanity and Humanity: Mental Illness, Society, Stigma and Services. 3 Credit Hours.
The genesis for this course was the generally poor, inaccurate and stigmatized understanding of mental illness in society based on portrayals in popular media including Hollywood produced films. However, over the past several years the depth and accuracy of awareness and knowledge has changed, as the depiction of mental illness and treatment services in films has improved and the availability of narrative accounts has increased. This course is designed to allow Human and Social Development majors, with a particular interest in wellness and human services, to explore varying portrayals of mental illnesses in popular media. The course will foster critical analysis of narrative and film depictions of illness, as well as connect these depictions to a broader narrative on stigma, social determinants of illness and wellness, prevention and intervention.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 311. Group Processes and Development. 3 Credit Hours.
Research findings concerning the nature of small groups and patterns of behavior associated with them are explored. Students experience an ongoing group process to which theories and concepts can be applied. Emphasis is placed on learning to be a participant observer of group behavior and processes, learning about one's own behavior in groups, and developing skills to be a more effective member and leader in task groups.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 321. Understanding Human Service Organizations. 3 Credit Hours.
Prerequisite: EPS 201. Or Corequisite: EPS 311.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 340. Psychology and Sociology of Sexual Identity. 3 Credit Hours.
History, psychology, and sociology of gay, lesbian, and transgendered populations.
Prerequisite: PSY 110 or SOC 101.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 351. Introduction to Statistics and Research Design. 3 Credit Hours.
The course will cover basic statistics relevant to the social sciences (e.g., central tendency, variation, t-tests, correlations), with emphasis on real world applications employing commonly used research designs. Students will acquire the tools necessary to interpret elementary statistical analyses and a foundation in the basic analytic methods used in conducting quantitative research in the behavioral sciences.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 360. Educational Psychology. 3 Credit Hours.
A review of basic educational psychology principles including cognitive and language development, personal, social and moral development, learning theories, and motivation. A review of basic concepts that contribute to effective learning and other aspects of education.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 361. Community Psychology & Development. 3 Credit Hours.
Community psychology is about the prevention of psychosocial problems and the promotion of mental health and well being through the creation of equitable and just social settings, neighborhoods, communities, and societies. Course topics include: stress & social support; oppression and human diversity; primary prevention, social intervention and health promotion; self-help; mediating structures; community mental health; alternative settings; community development and social change.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 371. Applied Social Research Methods. 3 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 420. Introduction to Counseling and Psychotherapy. 3 Credit Hours.
This course is a survey of the theories and practical applications of counseling and psychotherapy. Students will acquire an understanding of a variety of theories of psychotherapy, the basic requirements and skills for effective, ethical counseling, and an appreciation for the role of values and human differences in counseling and psychotherapy. This course does not prepare students for practice in mental health professions.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 440. Listening and Helping Skills. 3 Credit Hours.
Listening and Helping Skills is an introductory course to the foundational skills used in helping relationships. Through lectures, discussions and role-plays, students will learn the rationale behind basic helping skills and their application to diverse settings and contexts.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 452. Community Program Development And Evaluation. 3 Credit Hours.
This course addresses the theoretical and practical principles of designing, planning, implementing, and evaluating programs in community-based settings. The students will learn about prevention, effective program development, program approaches, program components, program evaluation, and cultural proficiency in project development and evaluation. Students will acquire and practice skills for becoming effective workers and leaders in community-based agencies. The course will consist of readings, presentations, and applied knowledge.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 462. Community Consultation and Leadership. 3 Credit Hours.
This course will cover strength based, preventive, empowering approaches to institutional and community change, and will address related skills, stages, processes and outcomes; Conflict resolution, facilitation, strategic planning, visioning, advocacy, change management, and community mobilization will be studied and practiced in class.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 504. Mentored Research Studies. 1-3 Credit Hours.
Under the guidance of EPS faculty and graduate students, undergraduate students will have an opportunity to get involved in various components of research study; gain valuable knowledge and research experience; and expand their undergraduate academic experience.
Components: THI.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 505. Lifespan Human Development. 3 Credit Hours.
Theories and research relating to the biophysical, cognitive, and psychosocial domains of human lifespan development.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 510. Professional, Legal and Ethical Issues in Counseling. 3 Credit Hours.
Professional, legal, ethical, and licensing issues in the counseling profession.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 511. Lifestyle and Career Counseling. 3 Credit Hours.
An introductory course in career development and career counseling, focusing on theories of career development, counseling tools, strategies, and sociological, economic, and psychological influences on the American worker.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 512. Assessment Strategies for Counselors I. 3 Credit Hours.
This course places emphasis on diagnosis, appraisal, assessment, and testing for individual and interpersonal disorders. It addresses statistical procedures and psychometric principles necessary for responsible test use and exposes the student to a variety of test and non-test assessment techniques in marriage and family, and mental health counseling.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 513. Counseling Process and Practice. 3 Credit Hours.
The development of basic communication and clinical skills necessary for establishing the counseling relationship and conducting therapy.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 514. Psychosocial Bases of Social and Cultural Diversity. 3 Credit Hours.
Interrelationship between psychology and sociology in understanding development of diversity in human social systems. Implications for counseling and therapy.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 517. Working With Black Clients: Treatment And Assessment Considerations. 3 Credit Hours.
This course presents three core content areas with respect to the treatment and assessment of Black populations. The first content area addresses historical aspects of the development of Black psychology. Additionally, it will review ethnocentrism, the misuse of Western psychology to marginalize African Americans and reasons for scientific abuses against people of color, such as the Tuskegee Syphilis Study. Lastly, the first content area will focus on topics such as the Black family, racism, cultural mistrust, stereotype threat, Black/White relations, and Black mental health. Concomitant aspects of Black culture including; racial identity development, spirituality, sexuality, common misconceptions about Black populations, and within group differences related to gender, class, age, and sexual orientation will be peripherally addressed. The second content area presents a culturally-informed perspective on the psychological assessment and treatment of African Americans. It will focus on topics such as ethnic/racial identity models, cultural variables that may affect DSM 5 diagnoses, epidemiological mental health data across ethno-racial groups, biased measures, culturally specific interventions, and important factors to consider during the delivery of treatment. The third module will focus largely on the infusion and integration of the first two modules in therapeutic practice with Black populations. Students will become familiar with the most updated standards of multicultural competencies published by the following associations; •
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 526. Counseling in Community Settings. 3 Credit Hours.
Exploration of a variety of perspectives on community services relevant to mental health counselors. Topics include: the variety of community settings; community, national, and international diversity in mental health services; diversity of clients (e.g., cultures, religions, GLBT, elderly, social classes, disabilities); mental health funding; the role of politics, policy, advocacy, and research; interviewing across cultures.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 527. Community Youth Development. 3 Credit Hours.
This course in community youth development (CYD) will focus on the philosophical, sociological, and educational foundations of a youth development perspective that highlights youth as powerful catalysts for change and positive forces in shaping communities. We reflect on how youth development is inextricably linked with family and community development. After reviewing and critiquing traditional adolescent development theories, students will engage with theories and practices of CYD, youth empowerment, youth civic engagement, youth organizing, social justice youth development, youth activism, and critical youth engagement.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 533. Organization and Administration of Higher Education I. 3 Credit Hours.
Theoretical approaches from organizational analysis. Applications to problems, processes, and patterns of higher education institutions. Consideration given to legal status, governance patterns, and external relations. Administrator, faculty, trustee, and student roles are also explored.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 539. Effective Teaching, Learning, Assessment & Curriculum in Higher Education. 3 Credit Hours.
Provides an overview of current theories, research, and best practices in effective teaching, learning, assessment, and curricular design.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Summer.

EPS 543. The Community College. 3 Credit Hours.
An overview of American community colleges including historical evolution, purposes and functions, characteristics of students and faculty, organization and administration, curricula, current issues, and trends.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 545. Administration of Student Affairs. 3 Credit Hours.
History and philosophy of student affairs will be addressed as well as principles and organization of student affairs administration, current problems, procedures, and recent developments.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 553. Introductory Statistics. 3 Credit Hours.
Basic Statistical procedures will be discussed including measures of central tendency, variability and relationship, sampling, and basic tests of statistical significance.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Summer.
EPS 554. Essentials of Research in Social and Behavioral Sciences. 3 Credit Hours.
Study of the standards methods and techniques of research in the behavioral and social sciences. Brief orientation to quantitative and qualitative procedures used in the analysis and interpretation of research data are emphasized.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 568. Computer Applications in Educational and Behavioral Science Research. 3 Credit Hours.
An introduction to the use of microcomputer statistical packages in social science research, with emphasis given to SPSS for Windows. Course content will cover a broad range of activities encountered in the data analytic process including planning and creating a database, data coding, file manipulation tasks, data screening, and statistical analysis.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 570. Basic skills in Counseling and Interviewing. 3 Credit Hours.
Introductory course on essential skills used in counseling and interviewing. Through lectures, discussions, and small group exercises, students will explore their natural style of helping and learn effective listening and communication skills. This course is not intended to train students to become a professional counselor.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring.

EPS 578. Human and Social Development Practicum. 3-6 Credit Hours.
The practicum serves an integrative function: it allows students to apply their academic training, to further develop their career goals, and to hone their skills while gaining experience in real-world settings. Practica are unpaid, supervised experiences. Students choose from a menu of settings that have been approved as HSD practicum sites and spend a minimum of 120 hours (3 credits) or 250 hours (6 credits) at their chosen setting over the course of the semester. Must be taken concurrently with EPS 481.
Components: PRA.
Grading: GRD.
Typically Offered: Spring.

EPS 579. Human and Social Development Practicum Seminar. 3 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 587. Special Topics In Human And Social Development. 1-3 Credit Hours.
This course is designed for students wishing to focus on a specific area of study within the umbrella of Human and Social Development. Topics will be offered based on current trends in the field as well as student and faculty interest. Students will be given supervision and support in a structured seminar setting.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 589. Individual Study. 1-3 Credit Hours.
Individual work on a special project under faculty guidance.
Components: THI.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 591. Workshop in Education. 1-3 Credit Hours.
Study in special interest areas in education.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 592. Workshop in Education. 1-3 Credit Hours.
Study in special interest areas in education.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 593. Workshop in Education. 3 Credit Hours.
Study in special interest areas in education.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 595. Research Honors Project I. 2 Credit Hours.
This course is restricted to students in the SEHD who have been accepted into the Research Honors Program and are working with a Faculty mentor.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 596. Research Honors Project II. 2 Credit Hours.
This course is restricted to students in the SEHD who have been accepted into the Research Honors Program and are working with a Faculty mentor.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 598. Research Honors Project - Seminar. 1 Credit Hour.
This course is restricted to students in the SEHD who have been accepted into the Research Honors Program and are working with a Faculty mentor. Students are required to present at the undergraduate Research, Creativity, and Innovation Forum.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 599. Individual Study. 1-3 Credit Hours.
Individual work on a special project under faculty guidance.
Components: THI.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 600. Field Exper Edu Res. 2-6 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 601. Field Studies in Education. 1-6 Credit Hours.
Individual study of a school or school system, identifying its strengths and weaknesses, and making positive recommendations.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 605. Regression Methods. 3 Credit Hours.
The aim of this course is to provide a solid foundation in the basic concepts of multivariate statistics, and its application to practical research questions. This course extends the content of EPS 671 (ANOVA methods) and EPS 672 (regression methods) to cover methods used when there are multiple dependent variables to be modeled simultaneously. This course focuses on the traditional multivariate methods (as opposed to the contemporary models of structure equation modeling) that see wide use in the behavioral sciences. The general topics covered in the course include, but are not limited to: introductory matrix algebra, multivariate analysis of variance (MANOVA), factorial MANOVA, discriminant function analysis, and exploratory factor analysis. In all cases, this course is intended to provide a solid conceptual background of these topics, as well as a thorough description/practice of the application of these topics to real data scenarios.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 620. Workshop in Education. 3 Credit Hours.
Study in special interest areas in education.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 622. Community Well-being and Change: Theory and Practice. 3 Credit Hours.
This course is designed to promote an understanding of the factors associated with healthy communities. It provides a comprehensive overview of the relevant skills and theories including: ecological/systems theory/models; community theories (sense of community, social capital, environmental psychology); and critical social theory, social justice, and social determinants of well-being.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 623. Development & Change in Community Organizations: Theory & Practice. 3 Credit Hours.
This course focuses on the unique role of non-profit, community-based organizations in promoting human and community development. Students will engage in an analysis of the range of functions that organizations serve and the various organizational strategies used in community settings.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 624. Essentials of Research in Social and Behavioral Sciences. 3 Credit Hours.
Study of the standards methods and techniques of research in the behavioral and social sciences. Brief orientation to quantitative and qualitative procedures used in the analysis and interpretation of research data are emphasized.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 625. Program Evaluation. 3 Credit Hours.
Terminology, models, standards, practices, and common problems associated with program evaluation in Educational and Social Service settings. Prerequisite: EPS 670 and 553 or equivalents.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 627. Community Youth Development. 3 Credit Hours.
This course in community youth development (CYD) will focus on the philosophical, sociological, and educational foundations of a youth development perspective that highlights youth as powerful catalysts for change and positive forces in shaping communities. We reflect on how youth development is inextricably linked with family and community development. After reviewing and critiquing traditional adolescent development theories, students will engage with theories and practices of CYD, youth empowerment, youth civic engagement, youth organizing, social justice youth development, youth activism, and critical youth engagement.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 628. Managing Community Organizations. 3 Credit Hours.
This course is designed to develop leadership skills for individuals engaged with community based organizations. Topics will include administrative, management, and fiscal issues. Grant writing, fundraising, organizational communication, program planning, marketing, innovation, strategic planning, and accountability issues will be examined from a nonprofit organizational perspective.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 629. Seminar in Community & Social Change. 3 Credit Hours.
Components: PRA.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 648. Multicultural Communities in a Globalized Society. 3 Credit Hours.
This course examines the relationship between multiculturalism and globalization and how these concepts impact education and the world at large. Topics include dimensions of human diversity, identities and acculturation; race and class; gender and power; children and youth; social inclusion and social justice; health disparities; poverty and work; racism and inequality.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 667. Professional, Legal and Ethical Issues in Counseling. 3 Credit Hours.
Professional, legal, ethical, and licensing issues in the counseling profession.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 668. Psychosocial Bases of Social and Cultural Diversity. 3 Credit Hours.
Interrelationship between psychology and sociology in understanding development of diversity in human social systems. Implications for counseling and therapy.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 669. Psychopathology for Counselors. 3 Credit Hours.
In depth introduction to abnormal human behavior patterns of concern to mental health professionals. Clinical conditions will be examined within the context of currently most viable theory and research relating to etiology, assessment, diagnosis and treatment.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 670. Dynamics of Marriage and Family Systems. 3 Credit Hours.
Introduction to the history and development of marriage and family systems theory as a method for understanding individuals’ behavior and functioning. Introduction to several modes of family therapy. Throughout the course, lectures will also be integrated with other topics including race, culture, gender, sexual orientation, ability.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 671. Family Therapy. 3 Credit Hours.
Concentrated study of several approaches to family therapy including systemic and psychosocial perspectives. Theory and techniques of family therapy are taught in lecture, videotape, and simulation.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 672. Therapy for Couples. 3 Credit Hours.
Theory and technique linked to working with couples, in marriage and in other relationships.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 673. Counseling in Community Settings. 3 Credit Hours.
Exploration of a variety of perspectives on community services relevant to mental health counselors. Topics include: the variety of community settings; community, national, and international diversity in mental health services; diversity of clients (e.g., cultures, religions, GLBT, elderly, social classes, disabilities); mental health funding; the role of politics, policy, advocacy, and research; interviewing across cultures.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 674. Lifestyle and Career Counseling. 3 Credit Hours.
An introductory course in career development and career counseling, focusing on theories of career development, counseling tools, strategies, and sociological, economic, and psychological influences on the American worker.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 675. Therapeutic Group Procedures. 3 Credit Hours.
This course examines both the theory and practice of group counseling. The course covers therapist issues, patient selection criteria, group structuring as well as basic therapeutic techniques. The course prepares students to design structured counseling groups, to prepare group counseling materials, and to lead counseling groups of various types.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 676. Counseling Process and Practice. 3 Credit Hours.
The development of basic communication and clinical skills necessary for establishing the counseling relationship and conducting therapy.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 677. Assessment Strategies for Counselors I. 3 Credit Hours.
This course places emphasis on diagnosis, appraisal, assessment, and testing for individual and interpersonal disorders. It addresses statistical procedures and psychometric principles necessary for responsible test use and exposes the student to a variety of test and non-test assessment techniques in marriage and family, and mental health counseling.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 678. Lifespan Human Development. 3 Credit Hours.
Theories and research relating to the biophysical, cognitive, and psychosocial domains of human lifespan development.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 679. Theory and Practice with Children and Adolescents. 3 Credit Hours.
Course prepares students to provide preventive and therapeutic interventions with children and adolescents including theory, research, and practice.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 680. Counseling and Sexuality. 3 Credit Hours.
Emphasis is placed on self-awareness and acceptance of all dimensions of human sexuality. Readings and classroom activities focus on biological aspects of sexuality, an understanding of sexual dysfunctions, and their treatment.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.
EPS 682. Practicum in Counseling I. 1-4 Credit Hours.
Supervised Practicum at the Institute for Individual and Family counseling and other appropriated clinical settings relating theoretical formulations to intervention strategies appropriate to specialization. Corequisite: EPS 619.
Components: PRA.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 683. Practicum Laboratory I. 1-4 Credit Hours.
Individual, dyad, and small group supervision at approved Practicum sites.
Components: PRA.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 684. Research and Program Evaluation in Counseling. 3 Credit Hours.
Course focuses on the interpretation and application of research data as applied to clinical practice. Skills in using behavioral research-based literature to identify, evaluate and interpret appropriate interventions are also emphasized .
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 685. Substance Abuse and Addictions: Theories and Counseling. 3 Credit Hours.
Theories and research on individual, systemic causes, and outcomes of substance abuse, and concomitant practices in counseling and therapy.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 686. Working With Black Clients: Treatment And Assessment Considerations. 3 Credit Hours.
This course presents three core content areas with respect to the treatment and assessment of Black populations. The first content area addresses historical aspects of the development of Black psychology. Additionally, it will review ethnocentrism, the misuse of Western psychology to marginalize African Americans and reasons for scientific abuses against people of color, such as the Tuskegee Syphilis Study. Lastly the first content area will focus on topics such as the Black family, racism, cultural mistrust, stereotype threat, Black/White relations, and Black mental health. Concomitant aspects of Black culture including: racial identity development, spirituality, sexuality, common misconceptions about Black populations, and within group differences related to gender, class, age, and sexual orientation will be peripherally addressed. The second content area presents a culturally-informed perspective on the psychological assessment and treatment of African Americans. It will focus on topics such as ethnic/racial identity models, cultural variables that may affect DSM 5 diagnoses, epidemiological mental health data across ethno-racial groups, biased measures, culturally specific interventions, and important factors to consider during the delivery of treatment. The third module will focus largely on the infusion and integration of the first two modules in therapeutic practice with Black populations.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 687. Latino Youth And Families. 3 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 688. Spanish For Mental Health Professionals. 3 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.

EPS 689. Psychological Interventions with Hispanic/Latino Populations. 3 Credit Hours.
Explores the diversity of experiences among Hispanics and their implications for therapy. Topics include: racial diversity among Hispanics, sociopolitical factors in mental health, the impact of immigration on mental health, special psychological treatments: trauma treatment, family interventions and bilingual counseling.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 698. Continuous Registration--Master's Study. 1 Credit Hour.
To establish residence for non-thesis master's students who are preparing for major examinations. Credit not granted. Regarded as full time residence.
Components: THI.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 699. Advanced Individual Study. 1-6 Credit Hours.
Individual work on a special project under faculty guidance.
Components: THI.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 700. Introductory Statistics. 3 Credit Hours.
Basic Statistical procedures will be discussed including measures of central tendency, variability and relationship, sampling, and basic tests of statistical significance.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Summer.

EPS 701. Introduction to Research Methods. 3 Credit Hours.
The nature of disciplined inquiry in behavioral and social sciences. Includes philosophy of science, quantitative and qualitative research, basic concepts in sampling and measurement, and systematic searches of the research literature. Students required to complete literature search on a topic of their interest and submit a report of their findings.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 702. General Linear Models. 3 Credit Hours.
Group comparative designs, univariate parametric and nonparametric methods and statistical inference will be discussed. Topics include probability, sampling, estimation, ANOVA, ANCOVA. Students will be required to use computer packages (SAS/SPSS).
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.
EPS 703. Applied Multivariate Statistics. 3 Credit Hours.
This course will provide: (1) a conceptually-oriented introduction to regression methods and (2) opportunities to learn related data-analytic techniques.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 704. Computer Applications in Educational and Behavioral Science Research. 3 Credit Hours.
An introduction to the use of microcomputer statistical packages in social science research, with emphasis given to SPSS for Windows. Course content will cover a broad range of activities encountered in the data analytic process including planning and creating a database, data coding, file manipulation tasks, data screening, and statistical analysis.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.

EPS 705. Measurement and Psychometric Theory. 3 Credit Hours.
This course provides an introduction to the theory and application of measurement and psychometric models used in the behavioral sciences.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 706. CATEGORICAL DATA ANALYSIS. 3 Credit Hours.
Categorical data is abundant in many different fields such as education, psychology, and marketing. The use of statistical methods for categorical data has increased dramatically in recent years. Categorical data can be numeric or character, but it is always a discrete number of levels. Virtually every research project categorizes some of its observations: male or female, marital status, political or religious affiliation, race of patient, and so on.
Prerequisite: EPS 553 and EPS 671.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 707. Item Response Theory. 3 Credit Hours.
The purpose of the course is to provide training in the theory and application of item response theory (IRT) as it pertains to educational and psychological measurements. Focus will be given to discussing IRT as a measurement model used to measure the properties of items and individuals. Particular attention will be given to contrasting the properties of the IRT model to the classical test theory, and the application of IRT to actual data sets.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 708. An Introduction to Structural Equation Modeling for Multivariable Data. 3 Credit Hours.
This course will provide (1) a conceptually-oriented introduction to Structural Equation Modeling for multivariate data and (2) opportunities to learn related data-analytic techniques.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 709. Introduction to Multilevel Modeling. 3 Credit Hours.
This course will provide: (1) a conceptually-oriented introduction to multilevel modeling and (2) opportunities to learn related data-analytic techniques.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 710. Meta-analytic methods for research synthesis.. 3 Credit Hours.
Meta-analysis is the general practice of combining, comparing, and interpreting statistics across a set of studies that investigate the same (or similar) phenomenon using a properly motivated theoretical framework. Meta-analysis has become a popular tool in a variety of research disciplines, including the social sciences, education, medicine, and business. This course provides a thorough introduction to the theoretical foundations of meta-analysis, discusses commonly used statistical techniques, and analyzes several examples of the existing meta-analysis. Emphasis is placed on application, so that students are trained to independently perform a meta-analysis, from start to finish, in whatever substantive area interests students the most.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 711. Advanced Topics In Research, Measurement, And Evaluation. 3 Credit Hours.
Review of emerging quantitative methodological advances relevant to educational research for which formal course title and syllabus have not been developed and formalized in the UM Bulletin. Allow for experimental instructional formats. See Course Notes for specific topic.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 712. Field Experience in Educational Research. 2-6 Credit Hours.
A total of 125 hours of supervised practical experiences in educational research. Emphasis is placed on actual participation in a wide variety of on-going research projects through associations with an approved educational R & D center. Normally taken in two or three credit blocks.
Components: PRA.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 714. Qualitative Methods I. 3 Credit Hours.
An overview of the history, nature, characteristics, strategies, and ethics of qualitative research methods. Critical analysis and evaluation of various types of qualitative studies, including design, sampling, processes of data collection and analysis, and reporting results.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 715. Qualitative Methods II: Case Studies and Grounded Theory. 3 Credit Hours.
Types and designs of case studies, development of protocol, field work, data analysis, and report writing. Practical procedures and techniques for conducting grounded theory studies, including data coding and analysis, and reporting of results.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.
EPS 716. Qualitative Methods II: Interviews and Content Analysis. 3 Credit Hours.
Sociological and oral history interview methods, including methodological issues, computer-based coding, decoding, and interpreting data. Visual and text based content analysis, scoring schemas, and inter-rated reliability are also covered.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.
EPS 725. Seminar In Community Well-Being. 1-3 Credit Hours.
This course provides an overview of the field of community psychology We will examine the conceptual and theoretical developments in community psychology since the 1965 Swampscott Conference (the 'birthplace' of community psychology) through reading primary sources – articles, monographs and book chapters – by those who have shaped the field. The readings will include some empirical research studies, but our key focus is the conceptual writings. The goal of this course is to understand and critique different theoretical perspectives in the field of community psychology.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.
EPS 731. FOUNDATIONS OF COMMUNITY PSYCHOLOGY. 3 Credit Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 732. Community Based Participatory Action Research. 3 Credit Hours.
Prerequisite: EPS 670.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.
EPS 737. Organization and Administration of Higher Education I. 3 Credit Hours.
Theoretical approaches from organizational analysis. Applications to problems, processes, and patterns of higher education institutions. Consideration given to legal status, governance patterns, and external relations. Administrator, faculty, trustee, and student roles are also explored.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 738. Effective Teaching, Learning, Assessment & Curriculum in Higher Education. 3 Credit Hours.
Provides an overview of current theories, research, and best practices in effective teaching, learning, assessment, and curricular design.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Summer.
EPS 739. The Community College. 3 Credit Hours.
An overview of American community colleges including historical evolution, purposes and functions, characteristics of students and faculty, organization and administration, curricula, current issues, and trends.
Components: LEC.
Grading: GRD.
Typically Offered: Offered by Announcement Only.
EPS 740. Administration of Student Affairs. 3 Credit Hours.
History and philosophy of student affairs will be addressed as well as principles and organization of student affairs administration, current problems, procedures, and recent developments.
Components: LEC.
Grading: GRD.
Typically Offered: Summer.
EPS 741. Basic skills in Counseling and Interviewing. 3 Credit Hours.
Introductory course on essential skills used in counseling and interviewing. Through lectures, discussions, and small group exercises, students will explore their natural style of helping and learn effective listening and communication skills. This course is not intended to train students to become a professional counselor.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.
EPS 742. Higher Education in the United States: From Harvard to Present. 3 Credit Hours.
Broad view of issues and problems in higher education. Fundamental ideas and significant literature are analyzed from historical, philosophical, and societal perspectives.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 743. Psychological Bases of Education. 3 Credit Hours.
Review and extension of basic principles of psychology underlying educational practice. Basic concepts of educational psychology which contribute to effective education will be discussed.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 744. Student Diversity in American Higher Education. 3 Credit Hours.
Emphasis on the diversity of today's undergraduate students. An examination of the sociological context and philosophical orientation of contemporary college students is included.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 745. Organization of Higher Education II: Governance, Leadership and Finance. 3 Credit Hours.
Provides an overview of selected topics in governance, administrative leadership and finance in higher education.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.
EPS 746. College Student Development: Theory, Research and Practice. 3 Credit Hours.
Emphasis on student growth and development during college and an analysis of the factors which affect development along cognitive and affective dimensions. An in-depth examination of college student development theories is included.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.
**EPS 747. Critical Issues in Student Affairs. 3 Credit Hours.**
Emphasis on the most pressing issues facing the profession of student affairs today including diversity, funding, staff retention and the law and student affairs.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Offered by Announcement Only.

**EPS 748. Enrollment Management: Theory and Practice. 3 Credit Hours.**
Comprehensive overview of principles and practices of a strategic process that begins with recruitment and continues through graduation.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Fall.

**EPS 749. Advanced Seminar in Enrollment Management. 3 Credit Hours.**
In-depth exploration of topics in enrollment management, including market research, market testing, pricing strategies, strategic planning, and development of a future vision.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Fall.

**EPS 750. Seminar in Higher Education/Enrollment Management: Contemporary Issues. 3 Credit Hours.**
A review of recent developments, research findings, changing issues, and problems in contemporary American higher education.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Spring.

**EPS 751. Seminar in Higher Education Administration: Contemporary Issues. 3 Credit Hours.**
The development and analysis of dissertation proposals will be required. Detailed coverage of the research process, proposal elements, dissertation writing and all aspects of doctoral research will be emphasized. Extensive feedback on research ideas and writing is involved.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Offered by Announcement Only.

**EPS 754. Practicum: Administration of Higher Education. 1-6 Credit Hours.**
This course is designed to provide students with an opportunity to develop professional competencies while they apply theory to practice. Opportunities can be pursued in enrollment management or student affairs related offices either on campus or at other higher education institutions. Students will contract for the type of experience desired and a for mal research paper and presentation will culminate this activity.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Offered by Announcement Only.

**EPS 764. Workshop in Education. 1-3 Credit Hours.**
Study in special interest areas in education.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Offered by Announcement Only.

**EPS 765. Workshop in Education. 1-3 Credit Hours.**
Study in special interest areas in education.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Offered by Announcement Only.

**EPS 766. Workshop in Education. 3 Credit Hours.**
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Fall & Spring.

**EPS 767. Counseling Psychology: Theory, Research and Practice I. 3 Credit Hours.**
Orientation to counseling psychology as a discipline including theories, research methodology, contemporary research, lifestyle and career development theory, and professional issues. Required of all first year counseling psychology students. May be taken for 3 or 6 credits to a maximum of 12 credits.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Fall.

**EPS 768. Counseling Psychology: Theory, Research and Practice II. 3 Credit Hours.**
Orientation to counseling psychology as a discipline including theories, research methodology, contemporary research, lifestyle and career development theory, and professional issues. Required of all first year counseling psychology students. May be taken for 3 or 6 credits to a maximum of 12 credits.
- **Components:** LEC.
- **Grading:** GRD.
- **Typically Offered:** Fall.

**EPS 770. Psychological Appraisal I. 3 Credit Hours.**
Orientation to psychological appraisal with emphasis on development of skill in assessment of intellectual functioning.
- **Components:** SEM.
- **Grading:** GRD.
- **Typically Offered:** Fall.
EPS 771. Psychological Appraisal II. 3 Credit Hours.
Orientation to psychological appraisal with emphasis on use of
procedures which facilitate preparation for, and evaluation of,
intervention efforts in the personality and social-behavioral areas.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 775. Doctoral Practicum I. 1-9 Credit Hours.
Supervised counseling experiences with clients at the Institute for
Individual and Family Counseling. Individual and small group supervision
by program faculty.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 776. Doctoral Practicum II. 1-9 Credit Hours.
Supervised counseling and assessment experience in outside agencies,
hospitals and community settings. Small group case conference
conducted by program faculty.
Components: PRA.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 777. Advanced Practicum in Counseling Psychology. 1-9 Credit
Hours.
Supervised experience appropriate to the work of the counseling
psychologist.
Components: PRA.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 779. Internship in Counseling Psychology. 1-6 Credit Hours.
Supervised internship in Counseling Psychology in an approved facility.
Components: PRA.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 780. Cultural Diversity and Mental Health. 3 Credit Hours.
Advanced training in conceptualizing the individual within cultural and
sociopolitical contexts with purpose of creating more reflective and
intentional clinicians. Includes learning skills for improving the lives of
clients in these are as.
Components: LEC.
Grading: GRD.
Typically Offered: Fall.

EPS 781. The Social Bases Of Human Activity And Flourishing. 3 Credit
Hours.
Components: LEC.
Grading: GRD.
Typically Offered: Spring.

EPS 782. Supervision in Counseling Psychology. 3 Credit Hours.
The course includes a didactic presentation of theories of supervision
and consultation. Application of supervision theories with opportunities
to practice beginning supervisor skills.
Components: LEC.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 785. Preparing Future Faculty Seminar. 1-3 Credit Hours.
The goal of this course is to introduce you to the larger role of university
professor. The class is designed to give you some general sense of
university structure and of the breadth of opportunities in higher
education, to think through your own vision of "being a professor" particularly the part of that role that focuses on teaching, and to help you
on the job search by preparing a professional portfolio that will help you
get that first job and, hopefully, set you on a smooth career path. The PFF
seminar will provide you with contextual and interdisciplinary knowledge of professoriate. Each seminar will be designed to aid you in your goal to
become an outstanding faculty member. PFF will give you an overview of life on the academic job market and the pre-tenure years. It is your
responsibility to tailor that information to fit your needs. It is expected
that you take the information you learn in PFF and speak with mentors in
your discipline to glean further insights into faculty life.
Components: SEM.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 789. Research Practicum. 1-6 Credit Hours.
Hands on experience in various aspects and processes in research.
Components: PRA.
Grading: GRD.
Typically Offered: Fall & Spring.

EPS 798. Advanced Individual Study. 1-3 Credit Hours.
Individual work on a special project under faculty guidance.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 799. Advanced Individual Study. 1-3 Credit Hours.
Individual work on a special project under faculty guidance.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 810. Master's Thesis. 1-6 Credit Hours.
The student working on his/her master's thesis enrolls for credit, in most
departments not to exceed six, as determined by his/her adviser. Credit is
not awarded until the thesis has been accepted.
Components: LEC.
Grading: SUS.
Typically Offered: Fall, Spring, & Summer.

EPS 820. Research in Residence. 0 Credit Hours.
Used to establish research in residence for the thesis for the master's
degree after the student has enrolled for the permissible cumulative total
in EPS 710 (usually six credits). Credit not granted. May be regarded as
full time residence.
Components: LEC.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.

EPS 825. Continuous Registration Master's Study. 1 Credit Hour.
Components: THI.
Grading: GRD.
Typically Offered: Fall, Spring, & Summer.
EPS 830. Pre-Candidacy Dissertation Research. 1-12 Credit Hours.
Required of all candidates for the Ph.D. The student will enroll for credit as determined by his/her advisor but not for less than a total of 24. Not more than 12 hours of EPS 730 may be taken in a regular semester, nor more than six in a summer session. Where a student has passed his/her (a) qualifying examinations, and (b) is engaged in an assistantship, he/she may still take the maximum allowable credit stated above.

Components: THI.

Grading: SUS.

Typically Offered: Fall, Spring, & Summer.

EPS 835. Doctor of Education Dissertation. 1-12 Credit Hours.
Required of all candidates for the Ed.D. The student enrolls for credit as determined by his/her advisor. Credit is not awarded until the doctoral project has been accepted. Total enrollment may not exceed 12 credits.

Components: THI.

Grading: SUS.

Typically Offered: Fall, Spring, & Summer.

EPS 840. Post-Candidacy Dissertation Research. 1-12 Credit Hours.

Components: THI.

Grading: SUS.

Typically Offered: Fall, Spring, & Summer.

EPS 850. Research in Residence. 1 Credit Hour.
Used to establish research in residence for the Ph.D. and Ed.D., after the student has been enrolled for the permissible cumulative total in appropriate doctoral research. Credit not granted. May be regarded as full-time residence as determined by the Dean of the Graduate school.

Components: THI.

Grading: SUS.

Typically Offered: Fall, Spring, & Summer.
