The libraries of the University of Miami (http://welcome.miami.edu/academics/libraries/) rank among the top research libraries in North America with a combined collection of over 3.6 million volumes, with 95,600 current electronic and print serials. The libraries are located on the Coral Gables, Rosenstiel, and Medical campuses.

Access to Millions of Resources
Consult the library website (http://library.miami.edu) to get access to millions of articles, books, and other resources through our online catalog and databases.

Individual and Collaborative Study Space
Learn about the hours (http://library.miami.edu/hours/) we are open for you.

Learning Commons
Discover and explore the services and resources (http://library.miami.edu/learningcommons/) available to support you. Consult with peers and experts on writing, research, math, creativity tools and technologies, digital scholarship, and more.

Research Help Across the Disciplines
Librarians (http://sp.library.miami.edu/subjects/staff.php?letter=Librarians%20by%20Subject%20Specialty/) and Peer Research Consultants are available to support students in all courses and majors. Consider us part of your network.

Online Research Guides for Courses and Majors
Online research guides (http://sp.library.miami.edu) can help you find the resources you need for course assignments, research projects and more.

Library Research Scholars and Adobe Scholars Program
Apply for a year-long fellowship (https://www.library.miami.edu/research/library-research-scholars.html) to develop your own research or creative project with mentorship by a librarian faculty member.

Jobs
We offer a variety of opportunities (https://www.library.miami.edu/about/student-jobs.html) for student employment.
