Employees may be charged the Health and Counseling Centers fee on their initial bill, however the charge will be removed from their bill soon after the last day to drop or add a class, if they remain eligible for tuition remission benefits. Dependent of UM employees are treated the same as all other students.

Health Insurance
Domestic students enrolled in six or more credit hours per semester (or considered full time) are required to obtain adequate health insurance (see exceptions (https://studenthealth.studentaffairs.miami.edu)). The annual premium for the health insurance plan offered through the University is added to each student’s fees. Domestic students with adequate alternative coverage may request cancellation of the insurance fee via CaneLink. Insurance cancellation must be renewed each year via the United HealthCare (UHCSR) waiver portal (https://urldefense.proofpoint.com/v2/url?u=https-3A__studentcenter.uhcsr.com_&d=DwMGaQ&c=y2w-uyYmhfFWipj_QN0DhA&r=LxZr5vQ1AW1tHe4BNcoMkwDx3MH1b2w2xh2mA8fo07). You or your designee will need your student ID (C#), date of birth, and insurance information in order to submit a waiver request. You will receive a waiver approval or denial (if we are unable to confirm insurance coverage) from waiverstatus@uhcsr.com within 5 business days of waiver submission.

Deadlines to waive the insurance are:
- July 25 for the Fall semester
- January 25 for the Spring semester
- April 25 for Summer I
- June 25 for Summer II

Domestic students can check the status of their insurance waiver/cancellation request via CaneLink. The insurance premium will be prorated for those students entering for the first time in the Spring or Summer semesters. No waiver and/or refund will be granted after the above dates.

Students who have previously waived the insurance charge can reinstate the insurance prior to the Spring semester or first Summer session by completing the reinstatement request form and checklist. Coverage can also be reinitiated at the start of the Fall semester by choosing not to re-waive the charge, or at other times during the academic year, if within 30 days of termination of other similar coverage, by completing the reinstatement request form and checklist (https://studenthealth.studentaffairs.miami.edu/insurance-information/domestic-students). Documentation of termination may be requested.

Deadline for reinstatement of insurance is January 25th for the Spring semester. Please do not consider your reinstatement complete until reinstatement has been verified via CaneLink, i.e. the charge has been posted to your student account and all charges on your account have been paid.

All international students are required to enroll in the University sponsored health insurance program. The annual premium for this coverage is added to each student’s fees.

Any additional questions regarding the health insurance requirement should be directed to the Student Health Service at 305-284-9100 or to studenthealth@miami.edu.
