MASTER OF ARTS IN ECONOMICS

Master of Arts in Economics

The Master of Arts in Economics program provides students with the essential analytical tools and rigorous training they need to apply economic analysis to help both global corporations and government institutions achieve success. The program introduces students to several applied areas of economics and provides the required problem-solving skills to analyze economic problems.

To obtain detailed program admission and curricula information please reference the program brochure which can be requested by contacting the Office of Recruiting and Admissions at 305-284-2510 or visit our website (http://bus.miami.edu/graduate-programs/specialized-masters/economics).
