M.M. IN KEYBOARD PERFORMANCE

Overview

Individual instruction, ensemble experience, master classes, teaching opportunities, as well as performance opportunities both on and off-campus enhance private study with internationally renowned artist teachers. Supporting academic instruction, now with an additional courses available focusing on artist development, enriches the performance experience, which culminates with a final recital.

The competitive reality of the market for performers and teachers has never been more demanding. We are proud that many of our students have gone on to DMA studies, win awards at piano competitions, have been invited to publish in recognized periodicals, and are currently in teaching positions both in the U.S. and abroad.

Our current and past FSOM piano students have participated and won prizes at competitions such as:

- Tchaikovsky Competition
- Queen Elizabeth Competition
- Van Cliburn Competition
