

MINOR IN COMMUNITY AND APPLIED PSYCHOLOGICAL STUDIES

Overview

The minor in Community and Applied Psychological Studies is available for all students at the University of Miami.

Curriculum Requirements

Code	Title	Credit Hours
EPS 201	Psychosocial Change and Well-being	3
2 EPS Courses 300 Level or Higher		6
EPS Courses		6
Total Credit Hours		15

- * The requirements of the minor are 15 credit hours with a grade of C or better.
Nine of these 15 credit hours must be earned at the University of Miami; with prior approval, three of these nine may be taken through the UM Study Abroad Program.
- ** All transfer course equivalencies, (up to 6 credits), must be approved by the EPS department.
- *** The undergraduate coursework in Community and Applied Psychological Studies is open to all qualified University of Miami students.
- **** Determination for using these courses as a minor, as a specialization, and/or as electives in any program, is made by the individual student's degree granting college or school.
