^1 For students in the College of Engineering that take the MSC 111 section for Engineers you will be waived from the MSC 112 requirement.

* Students majoring in the School of Marine and Atmospheric Science should replace MSC 111 and MSC 112 with one additional elective, and all electives must be above and beyond those used for the major. The Marine Policy minor fulfills the requirements of a People and Society cognate. Only those courses passed with a grade of “C-” or higher may be applied to the minor.
