The University allows students to receive college credit hour toward graduation from the following programs:

- Advanced Placement
- Cambridge Pre-U
- Caribbean Advanced Proficiency Examination (CAPE) Unit
- College Level Examination Program (CLEP)
- Dual Enrollment
- General Certificate of Education (GCE)
- International Baccalaureate

To have Advanced Placement, International Baccalaureate, or College Level Examination Program credit hours evaluated, the student must submit an official test result report to the Office of Undergraduate Admission.

The University of Miami does not give credit hour for CLEP Foreign Language and General Examinations.

Students taking dual enrollment courses (college courses taken while still in high school) must submit an official college transcript for review of potential transfer credit hour.

A student must submit official transcripts or results no later than the end of the first semester of enrollment at the University of Miami for review. Documents submitted after this time period will not be reviewed and credit hours will not be awarded.

The University will accept no more than 60 credit hours from these programs to count toward the 120 credit hours required for graduation.
