Submitting GED Scores

An applicant may apply to the University upon completion of the GED in lieu of completing high school. When applying with the GED, the applicant must submit official high school transcripts up to the time of withdrawal, as well as the official GED score report and diploma.

Applicants submitting the GED must achieve the following scores to be considered for admission. These scores should be considered a guideline and do not guarantee admission to the University.

For exams taken in English:

A score of 175 or higher should be obtained on all four subject tests.

For exams taken in any language other than English:

A score of 175 or higher should be obtained on all four subject tests.

It is strongly suggested that applicants submitting the GED in any language other than English also submit a TOEFL or IELTS score.
