Housing and Residential Life
The University of Miami offers undergraduate on-campus housing in four residential colleges, University Village, and Lakeside Village.

Each residential area has an Area Director/Assistant Area Director and student staff who all live in the residential college with the resident students to support and promote student well-being, safety, academic achievement, student learning, and development. Each residential college additionally has residential faculty members. Numerous social, educational, cultural, and recreational programs are offered throughout the academic year.

Both University Village and Lakeside Village....

Students are encouraged to read the Terms and Conditions of the Housing Agreement, paying close attention to the cancellation policies. In addition, students should be familiar with the Guide to Living On Campus (https://hrl.studentaffairs.miami.edu/living-on-campus/faq/) and the policies and procedures noted therein.
