

DOCTORAL

Doctoral

The doctoral program at the University of Miami Business School links world-class faculty with accomplished PhD candidates to prepare them for careers in academic research and teaching. The PhD in Business and PhD in Economics programs combine interdisciplinary study and research with one-on-one mentoring from faculty experts in your area of interest.

- Doctorate of Philosophy in Business (<http://bulletin.miami.edu/graduate-academic-programs/business/doctoral/business-phd/>)
