

SPECIALIZED MASTER DEGREES

Specialized Master Degrees

The Miami Herbert Business School offers a premier catalog of master's degree programs geared toward specific career paths. Each of these full-time programs can be completed in less than one year. Students will focus on in-depth business analysis as well as enhancing their proficiency in topics like accounting, finance, and organizational leadership. A new skill-set in a specialized area will make students more valuable to their organizations and more competitive in the marketplace.
