

MD/MBA PROGRAM

Overview

The University of Miami Herbert Business School (<http://bus.miami.edu>) offers a joint M.D./M.B.A. degree program in partnership with the Miller School of Medicine. The business curriculum prepares future physicians for the business complexities related to running a private medical practice or heading a group practice, as well as prepare medical students for careers in health sector management, leadership and policy.

The M.D./M.B.A. program adds an additional year to the four-year medical school curriculum. The M.B.A. coursework ranges from financial reporting and corporate strategy to the legal aspects of health administration.

MD/MBA candidates have the option of choosing a Research Track (project based which provides practical hands on experience) or an Elective Track (provides business electives). Please refer to the curriculum for details.

Questions about the M.D. portion of the program should be directed to the Associate Dean for Medical Education/Administration, Amar Deshpande, M.D. at the Miller School of Medicine, ADeshpande@med.miami.edu (<http://bulletin.miami.edu/graduate-academic-programs/medicine/md-mba/> ADeshpande@med.miami.edu), while questions about the MBA portion should be directed to Admission Advisors at the Miami Herbert Business School, 305-284-2510 or mba@miami.edu.

M.D. students are required to submit a Full-Time (<https://www.bus.miami.edu/apply/>)MBA online application to be considered for the M.D./M.B.A. Program.

The application deadline for this program is April 1st of each year.

To obtain detailed program admission information, please reference the program brochure which can be requested by contacting the Office of Recruiting and Admissions at 305-284-2510 or visit our website (<http://bus.miami.edu/graduate-programs/full-time-mba/md-mba/>).

Admission Requirements

- Completed application for admission submitted through BusinessCAS
- A baccalaureate degree from an accredited institution
 - Official academic transcripts from all previously attended post-secondary institutions must be submitted directly to BusinessCAS
 - International applicants must have their educational credentials from institutions outside of the United States verified by an approved international credentialing evaluation service such as World Education Services to confirm degree equivalency and GPA calculation.
- A personal statement and short-answer response to the supplemental essay prompt as outlined within the BusinessCAS application.
- A current resume
- At least one letter of recommendation (up to three allowed) may be submitted through the BusinessCAS portal by including recommender contacts within the Program Materials section of the application.
- Official GMAT score to be sent directly to the University of Miami Herbert Business School by using the locator code below.
 - GMAT Institution Code is 7NV-S1-92
- An official TOEFL or IELTS score is required as proof of English proficiency for international applicants who did not receive a degree in the United States or a foreign country where English is the primary language. The following minimum score is required for admission to a graduate business degree program.
 - TOEFL - 94 or above (iBT only)
 - IELTS - 7.0 or above
- If you do not yet have a GMAT score or TOEFL or IELTS score (international candidates only), you may complete and submit your application prior to taking the exam by indicating your approximate date within the Standardized Tests tab in the Academic History section. Select "Add Test Score" by the relevant test, then indicate that you have not yet taken the exam and add your estimated test date in the section provided.
- We encourage candidates to upload unofficial transcripts with their BusinessCAS application in order to expedite the review of their file while official documents are processed.
