Upon completion of this program, a student earns the Juris Doctor degree from the School of Law and a Master of Arts in Music Industry degree from the Frost School of Music (http://www.miami.edu/frost/index.php/music_business/) (http://www.miami.edu/frost/index.php/music_business/).

In this specialization, students not only learn the essentials of law, but also the common practices of music industry— essential skills for becoming a successful attorney in the music industry.

And, as one of the four major music cities in the U.S. and as the music center for the Latin American Divisions of all major music companies, Miami offers exceptional internship and work opportunities.
