

BSN TO DNP

BSN-to-DNP Degree Requirements

The BSN-to-DNP program is a lock-step program. Students must complete the coursework as specified in the Plan of Study for the specific track under which they were admitted and as listed in the Academic Bulletin and the Student Handbook (http://www.miami.edu/sonhs/index.php/sonhs/current_students/student_handbooks/). Students must also successfully complete the courses in each semester to progress to the next. Questions related to degree requirements should be directed to the appropriate Associate Dean or Program Director, or staff member in the OSS (http://www.miami.edu/sonhs/index.php/sonhs/office_of_student_services/).

To receive the BSN-to-DNP, students must:

1. Complete all course work as required with an overall GPA of 3.0 or better
2. Complete all required clinical and practice immersion hours
3. Successfully complete the DNP scholarly project before graduation
4. Successfully complete annual benchmark exams, before progressing into next phase of the program
5. Successfully pass the DNP comprehensive examination, which is an integrative experience to demonstrate students' mastery of the outcome objectives of the program
6. Pass a comprehensive clinical nurse anesthesia oral board examination

Four tracks are offered within the BSN to DNP program:

1. Nurse Anesthesia
2. Acute Care
3. Family Nurse Practitioner
4. Adult Geriatric Primary Care

Admission Requirements BSN-DNP Adult Gerontology Acute Care

1. Bachelor's degree in nursing from a regionally-accredited institution
 - Degree in nursing from a NLN or CCNE accredited program is preferred.
 - Registered nurses with a Bachelor's degree in other relevant science fields may be considered.
 - Official transcripts for each institution attended must be mailed from the issuing institution's Registrar directly to NursingCAS. NursingCAS cannot process transcripts that are stamped "Issued to Student." To expedite the process be sure to include the Transcript Request Form from the "Colleges Attended" section in "Academic History."
 - Applicants are required to list all institutions attended in the "Colleges Attended" section under "Academic History" even if no degree was awarded.
 - Applicants with international transcripts should refer to the "Additional Requirements for International Transcripts" section below. International degrees must be equivalent to those in the U.S.
 - ASN degrees earned at institutions that are not regionally-accredited may not be accepted, even if an RN-to-BSN is earned at a regionally-accredited institution.
2. Minimum cumulative undergraduate GPA of 3.0
3. Introductory statistics course
4. Minimum of one year critical care experience
5. Three letters of recommendation
 - At least one reference from an academic source.
 - Complete the "References" section to request electronic recommendations.
6. Statement of purpose
 - Discuss the reasons for applying to the MSN AGACNP program at the University of Miami and how it fits into personal, educational, and professional goals.
 - Upload in the "Documents" tab under "Personal Statement."
7. Current CV/resume
 - The CV/resume should include work and volunteer activities, licensures and other certifications, awards, professional organizations, and academic experiences.
 - Upload in the "Documents" tab under "CV/Resume."
8. Current, unrestricted RN license to practice nursing in the state of Florida or the state/territory of current practice

- Upload in the "Documents" tab under "License."
- International students must have a United States Social Security number to obtain a Florida RN license.

Admission Requirements BSN-DNP Adult Gerontology Primary Care

1. Bachelor's degree in nursing from a regionally-accredited institution (Note: This must be able to be obtained prior to Orientation)
 - Degree in nursing from a NLN or CCNE accredited program is preferred.
 - Registered nurses with a Bachelor's degree in other relevant science fields may be considered.
 - Official transcripts for each institution attended must be mailed from the issuing institution's Registrar directly to NursingCAS. NursingCAS cannot process transcripts that are stamped "Issued to Student." To expedite the process be sure to include the Transcript Request Form from the "Colleges Attended" section in "Academic History."
 - Applicants are required to list all institutions attended in the "Colleges Attended" section under "Academic History" even if no degree was awarded.
 - Applicants with international transcripts should refer to the "Additional Requirements for International Transcripts" section below. International degrees must be equivalent to those in the U.S.
 - ASN degrees earned at institutions that are not regionally-accredited may not be accepted, even if an RN-to-BSN is earned at a regionally-accredited institution.
2. Minimum cumulative undergraduate GPA of 3.0
3. Introductory statistics course
4. Three letters of recommendation
 - At least one reference from an academic source.
 - Complete the "References" section to request electronic recommendations.
5. Statement of purpose
 - Discuss the reasons for applying to the MSN AGPCNP program at the University of Miami and how it fits into personal, educational, and professional goals.
 - Upload in the "Documents" tab under "Personal Statement."
6. Current CV/resume
 - The CV/resume should include work and volunteer activities, licensures and other certifications, awards, professional organizations, and academic experiences.
 - Upload in the "Documents" tab under "CV/Resume."
7. Current, unrestricted RN license to practice nursing in the state of Florida or the state/territory of current practice (Note: This must be able to be obtained prior to Orientation)
 - Upload in the "Documents" tab under "License."
 - International students must have a United States Social Security number to obtain a Florida RN license.
 -

Admission Requirements - BSN to DNP Family Nurse Practitioner

Admission Requirements

1. Bachelor's degree in nursing from a regionally-accredited institution (Note: This must be able to be obtained prior to Orientation)
 - Degree in nursing from a NLN or CCNE accredited program is preferred.
 - Registered nurses with a Bachelor's degree in other relevant science fields may be considered.
 - Official transcripts for each institution attended must be mailed from the issuing institution's Registrar directly to NursingCAS. NursingCAS cannot process transcripts that are stamped "Issued to Student." 2. Minimum cumulative undergraduate GPA of 3.0
3. Introductory statistics course
4. Three letters of recommendation

- At least one reference from an academic source.
 - Complete the "References" section to request electronic recommendations.
5. Statement of purpose
 - Discuss the reasons for applying to the DNP-FNP program at the University of Miami and how it fits into personal, educational, and professional goals.
 - Upload in the "Documents" tab under "Personal Statement."
 6. Current CV/resume
 - The CV/resume should include work and volunteer activities, licensures and other certifications, awards, professional organizations, and academic experiences.
 - Upload in the "Documents" tab under "CV/Resume."
 7. Current, unrestricted RN license to practice nursing in the state of Florida or the state/territory of current practice (Note: This must be able to be obtained prior to Orientation)
 - Upload in the "Documents" tab under "License."
 - Students who are admitted must obtain a Florida RN license prior to orientation.

Admission Requirements -BSN to DNP Anesthesia Track

1. Bachelor's degree in nursing from a regionally-accredited institution
 - Degree in nursing from a NLN or CCNE accredited program is preferred.
 - Registered nurses with a Bachelor's degree in other relevant science fields may be considered.
 - Official transcripts for each institution attended must be mailed from the issuing institution's Registrar directly to NursingCAS. NursingCAS cannot process transcripts that are stamped "Issued to Student." To expedite the process be sure to include the Transcript Request Form from the "Colleges Attended" section in "Academic History."
 - Applicants are required to list all institutions attended in the "Colleges Attended" section under "Academic History" even if no degree was awarded.
 - Applicants with international transcripts should refer to the "Additional Requirements for International Transcripts" section below. International degrees must be equivalent to those in the U.S.
2. Minimum cumulative basic science and overall GPA of 3.0
3. Introductory statistics course
 - This requirement must be met prior to orientation.
4. Three letters of recommendation
 - Applicants must receive at least one letter of recommendation from each of the following types of recommenders:
 - Current clinical supervisor
 - Current or former academic faculty member
 - Community leader or professional colleague
 - Complete the "References" section to request electronic recommendations.
5. Statement of purpose
 - Discuss reasons for applying to the BSN-to-DNP Nurse Anesthesia program at the University of Miami and how it fits into personal, educational, and professional goals.
 - Upload in the "Documents" tab under "Personal Statement."
6. Current CV/resume
 - The CV/resume should include work and volunteer activities, licensures and other certifications, awards, professional organizations, and academic experiences.
 - Upload in the "Documents" tab under "CV/Resume."
7. Current, unrestricted RN license to practice nursing in the State of Florida or the state/territory of current practice (Note: This must be able to be obtained prior to Orientation)
 - Upload in the "Documents" tab under "License."
 - International students must have a United States Social Security number to obtain a Florida RN license
8. Verification of employment
 - A minimum of two years of ICU experience within the last five years is required to be considered for the program.
 - An Anesthesia Verification of Employment form (https://miamiedu-my.sharepoint.com/:b:/g/personal/i_figueroa5_miami_edu/ERn1ovzZF2dJoSREu4muZoQBjfHOdTdsgPCS5jXU7BxPTA/?e=mnzUfo) must be completed by the applicants' employers and submitted by the manager/supervisor/HR designee via fax, e-mail, or U.S. postal service.
9. Current Basic Life Support (BLS) for Health Care Providers certification

- Only BLS certifications from the American Heart Association are accepted.
 - Upload in the “Documents” tab under “Certification.”
10. Current Advanced Cardiovascular Life Support (ACLS) for Health Care Providers certification
- Only ACLS certifications from the American Heart Association are accepted.
 - Upload in the “Documents” tab under “Certification.”
11. Current Pediatric Advanced Life Support (PALS) certification
- Only PALS certifications from the American Heart Association are accepted.
 - Upload in the “Documents” tab under “Certification.Admission Requirements for BSN-DNP

Mission

The purpose of the DNP program is to prepare scholars and researchers to contribute to the growth of nursing practice and health care delivery through recognized methods of scholarly inquiry and dissemination of practice innovations. Additionally, graduates of this program will be prepared to collaborate with PhD colleagues to provide innovative leadership to the profession and make the practice of nursing more effective.

Student Learning Outcomes

- Students will integrate knowledge, theories, and concepts from the biophysical, psychosocial, analytical, and organization sciences to develop ethical health care systems and new frontiers for nursing practice which assist with the resolution of health care disparities.
- Students will be able to evaluate research methods and findings to create an evidence base for nursing practice and health care delivery systems that reflect best practices and alleviate health care disparities.
- Students will be able to make meaningful contributions in the area of developing quality, cost effective health care collaborations addressing health care disparities.
