

MD/MBA DUAL DEGREE PROGRAM

Overview

The University of Miami Herbert Business School offers a dual M.D./M.B.A. degree program in partnership with the Miller School of Medicine. The business curriculum prepares future physicians for the business complexities related to running a private medical practice or heading a group practice, as well as preparing medical students for careers in health sector management, leadership and policy.

The M.D./M.B.A. is a 4-year integrated program. The M.B.A. coursework ranges from financial reporting and corporate strategy to the legal aspects of health care administration.

Questions about the M.D. portion of the program should be directed to #SabrinaTaldone, M.D. at the Miller School of Medicine, staldone@med.miami.edu, while questions about the #M.B.A. portion should be directed to Admission Advisors at the Miami Herbert Business School, 305-284-2510 or ormba@miami.edu.

For detailed program admission information, please reference our website.

Admission Requirements

- Completed application for admission submitted through the Miami Herbert Business School application portal (<https://applygrad.miami.edu/portal/MHBS-apply-now/>).
- A baccalaureate degree from an accredited institution.
 - Official academic transcripts from all previously attended post-secondary institutions must be submitted directly to the application portal.
 - International applicants must have their educational credentials from institutions outside of the United States verified by an approved international credentialing evaluation service such as World Education Services (<https://www.wes.org/>) to confirm degree equivalency and GPA calculation.
- A personal statement and short-answer response to the supplemental essay prompt as outlined within the application portal.
- A current resume.
- At least one letter of recommendation (up to three allowed) may be submitted through the application portal by including recommender contacts within the Program Materials section of the application.
- An official TOEFL or IELTS score is required as proof of English proficiency for international applicants who did not receive a degree in the United States or a foreign country where English is the primary language. The following minimum score is required for admission to a graduate business degree program.
 - TOEFL - 94 or above (iBT only)
 - IELTS - 7.0 or above
 - Duolingo English Test – 125 or above
- We encourage candidates to upload unofficial transcripts with their application in order to expedite the review of their file while official documents are processed.
