

B.F.A. IN THEATRE ARTS

Overview

In addition to meeting the requirements for admission to the University of Miami, students seeking admission to the Department of Theatre Arts BFA program must:

1. Submit the BFA Application to the Department of Theatre Arts. This application may be found on the "Undergraduate Admissions" page on the University website;
2. Schedule an audition or portfolio review by contacting the Department of Theatre Arts office at 305. 284.4474. Auditions and reviews are held on the University of Miami campus as well as in major cities throughout the United States at the National Unified Auditions. Audition dates can be found on the Department of Theatre Arts website on the "Prospective Students" page.

BFA transfer applicants must follow the admission procedures described above and should note that if accepted, class standing in the program (freshman, sophomore, etc.) is determined by the BFA faculty in consultation with Department administration.

Musical Theatre Majors are typically admitted to the Bachelor of Fine Arts degree program in the fall semester of each academic year.

The candidates for the degree of Bachelor of Fine Arts must satisfy the academic requirements established by the College of Arts and Sciences, including, but not limited to the demonstration of:

- **Advanced Writing and Communication Proficiency:** Degree candidates must complete at least four writing courses, and at least one writing course must be in the student's major discipline,
- **Mathematics Proficiency:** Degree candidates must earn at least 3 credit hours in a Mathematics course numbered MTH 108 (<http://bulletin.miami.edu/search/?P=MTH%20108>) or higher.

To remain in the program, BFA students in the Department of Theatre Arts must maintain a cumulative 2.7 (B-) grade point average in all theatre courses (and any other courses required in a student's area of specialization) and a cumulative GPA of 2.0 (C) in all courses. Failure to maintain satisfactory academic standing will result in the student being placed on academic probation by the Department and may lead to dismissal from the BFA program.

BFA Theatre Arts courses are progressive in nature and students must successfully complete each course in sequence. Failure to pass the requirements of any particular class in the program may result in the student's dismissal.

All BFA students are evaluated by the faculty on commitment to training, production work, growth, discipline, and professional potential at the end of each semester.

Departmental production requirements, student responsibilities, and disciplinary policies are detailed in the Student and Production Handbooks, available on the "Current Students" page on the Department's website.
