Total Credit Hours 16

* Students majoring in the RSMAS Undergraduate Program should replace MSC 111 and MSC 112 with one additional elective, and all electives must be above and beyond those used for the major.

** Courses within this minor require at least one requisite. Students should review all courses and requirements before planning your studies and declaring the minor. Plan your courses accordingly as requisites must be met for enrollment and completion of minor.

*** Only those courses passed with a grade of "C-" or higher may be applied to the minor. The Marine Policy minor fulfills the requirements of the People and Society or STEM cognate.
