MSC 348	Sea Level Rise	
MSC 418	Climate Law	
MSC 420	Political Ecology of the Galapagos	
MSC 440	Environmental Governance	
MSC 460	Spatial Applications in Marine Science	
EVR 501	Political Ecology of Marine Management	
EVR 504	Fieldwork in Coastal Management: Tourism, Conservation, and Development	
EVR 510	Environmental Planning and the Environmental Impact Statement	
EVR 518	Coastal Zone Management	
EVR 530	Port Operations and Policy	
Total Credit Hours		**16**

[1]   Students majoring in the Rosenstiel School Undergraduate Program should replace MSC 111 and MSC 112 with one additional elective, and all electives must be above and beyond those used for the major. Fall sections of MSC 111 and MSC 112 are reserved for majors only. Minors may only enroll in MSC 111 and MSC 112 in Spring semesters.

[2]   Courses within this minor require at least one requisite. Students should review all courses and requirements before planning your studies and declaring the minor. Plan your courses accordingly as requisites must be met for enrollment and completion of minor.

*   Only those courses passed with a grade of "C-" or higher may be applied to the minor. The Marine Policy minor fulfills the requirements of the People and Society or STEM cognate.
